The latest ICR for 2015 which is 25.86% and I believe I sent you a copy of that agreement.

We are having technical difficulties with the tribe's email and internet. Please use my personal email address for further communication.

Any word yet on the IG's report?

Hi Kathy –

What is your latest Indirect Cost Rate Agreement – did you received your ICR for CY-2015 or CY-2016?

The last ICR, that I have, is for year 01/01/2014 – 12/31/2014 at 30.81% .

Thanks,
